2. Major stops, or time points, and arrival times are listed in columns.

How to Ride

1. Arrive at the stop at least 5 minutes early. Wait at a bus stop where the operator can see you.
2. As the bus approaches, check the sign above the front window to make sure it's the line and destination you want. Signal the operator that you wish to board.

Cómo leer el horario

1. Los días de funcionamiento, el número de ruta y la dirección del viaje se encuentran en el encabezado del horario.
2. Las paradas principales o los horarios y las horas de llegada aparecen en columnas.

Cómo viajar

1. Llegue a la parada al menos 5 minutos antes. Espere en una parada de autobús donde el operador pueda verlo.
2. Cuando se acerque el autobús, verifique el cartel ubicado encima del parabrisas para asegurarse de que sean la línea y el destino que desea. Indíquelo al operador que desea subir.
3. Aléjese del bordillo y espere hasta que el autobús se detenga por completo. Si necesita usar una rampa de acceso o un elevador, simplemente pídaselo al operador.
4. Si está de pie, muévase hacia la parte de atrás para que otras personas puedan subir. Deje los asientos delanteros libres para los adultos mayores o las personas con discapacidades. El operador podría pedirle que se mueva para acomodar a una persona con esa condición.
5. A lo largo de la ruta, se anunciarán las paradas y las intersecciones principales. Si no está familiarizado con el área, puede pedirle al operador que anuncie su destino.
6. Cuando quiera bajarse, tire del cable del timbre o presione la tira de plástico ubicada cerca de la ventana para pedir la siguiente parada.
7. Reúna todos sus artículos personales y baje por la puerta de salida trasera.

Cómo mantenerse a salvo

1. Siga siempre las instrucciones del operador.
2. Los autobuses solo lo recogerán o lo dejarán en paradas designadas.
3. Si ve algo, infórmelo: asegúrese de anotar el número del autobús o la identificación de la parada del autobús. Infórmelo a un empleado de EMBARK o llame al 911.
